

The swatches shown below are simulations of ZeroNine's NexGen and Legacy thermal transfer ribbon colors. Due to the limitations of the printing method used to produce this chart, many colors may not be displayed accurately. To see actual samples printed on vinyl, see a ZeroNine Color Chart.

 Process Cyan N G303 / G503 process cyan	 Process Magenta N G302 / G502 process magenta	 Process Yellow N G301 / G501 process yellow	 Process Black N G300 / G500 process black	 Jet Black N G252 / G452 rich black
 Process Cyan F303 / F503 process cyan	 Process Magenta F302 / F502 rhodamine red	 Process Yellow F301 / F501 102	 Process Black F300 / F500 process black	 Super Opaque Black F250 / F450 rich black, C
